This section of the policy provides for the return of school fees to the fee payer (the person(s) who have entered into a contractual obligation with you to pay fees charged in respect of the attendance at your premises of an insured person for lessons) in the event of an insured pupil being absent from lessons due to injury or sickness for a period exceeding the franchise period (period of 5 consecutive days (including weekends and half term holidays). When an absence is equivalent to or in excess of the franchise period, fees are returned on a pro-rata basis from the first day of absence. Fees are also returned in the event of the school being required to close due to an epidemic amongst pupils and/or staff. This cover is subject to an excess period of 7 days meaning that no fees will be returned for the first 7 days of closure. The policy will pay on a termly basis, the cost of the insured persons school fees up to a maximum of three consecutive terms' fees from the date of death of the fee payer, provided that death is caused solely by accidental means and occurs within 24 calendar months of the accident.
