

Dear Parents and Guardians,

A reminder re. Summer Uniform

Girls – (Reception, Year 1 & Year 2)

Girls will need at least two purple gingham summer dresses, from the Uniform Shop, (to be worn with plain, white ankle socks and purple sweatshirt). Girls may also wear navy shorts with navy ankle socks and a short-sleeved checked shirt if they prefer.

Boys – (Reception, Year 1 & Year 2)

Boys will need at least two pairs of navy corduroy shorts, from the Uniform Shop, (to be worn with navy ankle socks, a short-sleeved checked shirt and purple jumper).

Nursery

Children in the Nursery can choose to wear the purple gingham summer dress or corduroy shorts if they would like.

Second Hand

If you have good condition summer dresses or corduroy shorts that no longer fit, please give them to the Uniform Shop as soon as possible, via the Walled Garden or School Office, to maximise the opportunity for us to sell them for you second hand.

Summer Dresses

Please check that all summer dresses are properly hemmed and the correct length (touching the knee cap when standing). Our matron, Nida, can hem dresses or take them up for you for a small charge.

Uniform Shop

A reminder that the Uniform Shop has its own email address for appointment bookings and requests: schoolshop@sandroyd.com. You are welcome to email our matron, Tilly, with your child's requirements at any time and we will sort it for you during the school day.

Sunhat and Suncream

All children need a purple Sandroyd Legionnaires baseball cap, from the Uniform Shop, and a named bottle of suncream for the hot weather please.

All children should return to school for the Summer term in their Summer uniform. If the weather looks as if this isn't appropriate then we will communicate this via email before the start of term.

Best wishes,

Alice Speers
